

# SSI Solutions and Twin Solutions Merge

---

SSI Solutions and Twin Solutions are proud to announce the merger of their respective organizations. The newly formed corporation will continue operations under the SSI Solutions brand, with Alex Webb as Chief Executive Officer, Jason Bernard as Chief Operating Officer and Devon Gillard as Sr. Client IT Manager.

Twin Solutions is a Calgary based “Managed IT” Services business who has delivered proactive solutions to an extensive customer base for over nine years. SSI Solutions is a “Hardware as a Service” business maintaining offices in Calgary and Edmonton for over 13 years.

Together SSI and Twin Solutions will combine technologies, people and complementary strengths to deliver worry free, cost effective IT Solutions to businesses in Alberta. Clients will benefit from this partnership as the corporation will be able to deliver more value-added solutions and the highest level of customer service while increasing resources and experience.

For more information on this merger please refer to the contact information below:
